Free Education at Undera PS

Thanks to the Schools Plus grant program we are fortunate to offer our students free education for the next four years - 2022 to 2025.

This means no school fees, no-cost swimming program, free excursions and devices such as netbooks and/or iPads available for every student.

This term so far thanks to the Schools Plus grant we have been able to enjoy Circus Quirkus and TwistEd in Echuca to celebrate Science Week. Later in the term we have a Sports Day organised at Mooroopna North Primary School, with a few more surprises coming up in Term 4.

Parent Opinion Survey

We value the opinion and views of all our parents and therefore have invited all parents to participate in the Parent Opinion Survey this year. You should have received a link and code via email. The survey takes approximately 20 minutes to complete and will provide us with valuable information to help the school continue to improve. The survey is open until 16th September.
