TERM 2

Welcome back to Term 2. Students have settled back in well and we are excited for the learning we have planned for the term. Reports from students showed they all have an enjoyable Easter and holiday break.

ANZAC DAY

On Tuesday Samuel and Anton represented our school at the ANZAC Day service in Shepparton. Both boys did our school proud as they laid a wreath in honour of all the service men and women who fought for Australia and our freedom.

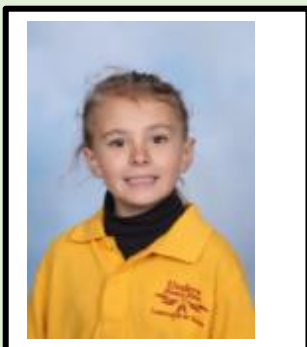

On Monday students made ANZAC biscuits and participated in activities to learn more about the meaning of ANZAC day.

PARENT TEACHER INTERVIEWS

Parent Teacher interviews will be held next Tuesday after school. Your child will have brought home a note today with your time on it. Please arrive on time to ensure the evening runs smoothly. We have set aside 15 minutes per interview but if you do need longer, we can always arrange to have another meeting at a different day and time. Reports will be sent home at the end of this term.

School Information

Scholastic Books

Welcome to our new families. Children bring home Scholastic Book Club catalogues twice each term. There is no pressure to purchase however the school earns points for any purchase you make. This helps stock our class libraries. Books can be ordered through the LOOP app. Here is a link to the parent's Guide to Book Club. https://issuu.com/scholastic_australia/docs/scholastic_book_club_parent_guide?fr=sODVIMDMONDU5MDI It explains the easy steps to ordering online.

Wellbeing at UPS

This week UPS have signed up to Butterfly Body Bright. A strength-based, evidence-informed program aiming to support positive body image in children. Studies show that children who grow up feeling more confident and accepting of themselves and their body are more likely to:

- experience higher self-esteem
- take care of their physical and mental health
- participate in school and hobbies.

We look forward to using some of the Body Bright resources throughout our classrooms.

Free Education at Undera PS

Thanks to the Schools Plus grant program we are fortunate to offer our students free education for the next three years – 2023 to 2025.

This means no school fees, no-cost swimming program, free excursions and devices such as netbooks and/or iPads available for every student. If you know of any new families looking for a great school please send them in our direction.
