School Camp

Next term in Week 2, from the 11th – 13th October our Year 2-6 students will be attending the DOXA Camp in Melbourne. This is a great opportunity for students to explore all that Melbourne has to offer. Information on our daily program, what to bring and, permission and medical forms have been sent home. Please read carefully and return both forms as soon as possible. If you have not provided the school with an updated asthma plan this will need to be done before the camp. Thank you.

Free Education at Undera PS

Thanks to the Schools Plus grant program we are fortunate to be able to offer our students free education for the next three years – 2023 to 2025. This means no school fees, no-cost swimming program, free excursions, and devices such as netbooks and/or iPads available for every student. If you know of any new families looking for a great school, please send them in our direction.

Mental Health and Wellbeing at UPS

I've played the flute for 16 years as part of the Rushworth and District Concert Band. I used to play every day. But lately, I've been super busy and my flute has sat in the cupboard. At my last Mental Health and Wellbeing Zoom, teachers and leaders discussed the importance of selfcare. It was pointed out to me that selfcare isn't a bonus, it's a necessity for our personal mental health and wellbeing. If we forget to take part in the things that we love, we can become burnt out quicker. So, over the last 3 weeks I have made an effort to play my flute again for 20 minutes a day after work. It mightn't seem much but those 20 minutes have really become an essential part of my day again and always lighten my spirits. Over this school holidays I challenge students, parents and the community to do something they love for 20 minutes everyday.

I'd love to hear what you did when we get back!

Emma Cox – Mental Health and Wellbeing Leader.

PROTECT

Everyone has the right to be safe and be protected from abuse. No one should behave in a way that makes you feel unsafe or afraid, including anyone in your family, anyone at school or anywhere else in the community. Tell a teacher or any adult at your school if you feel unsafe.

It's everyone's responsibility. Adults at school must listen and respond to concerns about child abuse. If you suspect abuse of any child or young person, you have a responsibility to report it, even if you are not sure.
