Kart Track Grand Opening

Last night we had the official opening of our fitness/kart track. It was great to see lots of families here to thank Myles for all his work getting our amazing track completed, as well as Stacey for putting all our karts together. We had 2 new adult sized karts arrive just in time for Myles to ride one through the banner. A big thanks to Nat and the senior students for their tireless work on Thursday in the heat, cleaning out the sports shed. Myles and parents helped to finish this off, with many free items up for grabs.

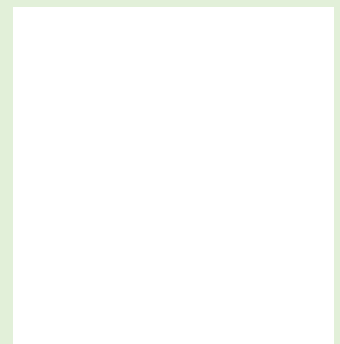

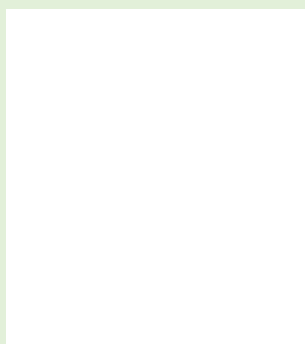

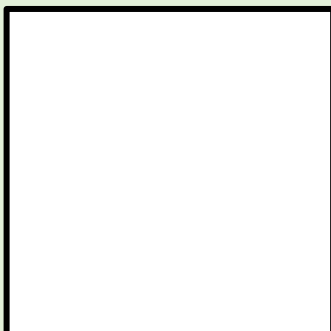

This was all followed with a sausage sizzle and relax in the shade. Thanks to everyone who assisted on the night.

Shepparton Excursion

On Tuesday 14th November the whole school will travel to Shepparton by bus. The Senior students will participate in a yachting session at the lake whilst the Junior students will enjoy a couple of hours bouncing around at Rebound. We are still waiting on a couple of permission forms to be returned. If any parents would like to accompany us on the day please contact the school as soon as possible.
