CURRICULUM DAY Monday 7th September

This will be a pupil free day for students. Teachers will be visiting another school and working on planning documentation.

Thank you Bernie 😊

A big thank you to Bernie Macdonald for making our new work benches in the kitchen garden. The new ones are so sturdy they will last for years. We really appreciate the time and effort you put into making these for our school.

Simon, our Chaplain.

We all look forward to Mondays when Simon is at school. He goes the extra mile planning fun and engaging activities to make break times enjoyable for our students. This week it was flying kites and an aeroplane target competition. He is also a great support for our families. So if you ever feel like a cuppa and chat call in on a Monday and say hi to Simon.

Puffing Billy excursion

The Senior room students had a fantastic day last Friday on our Puffing Billy excursion. They learnt a lot about the history of Puffing Billy and how the steam train works. After a STEAM session where they had to create a signal light using circuit we all boarded the train for our trip from Emerald to Belgrave. There were screams of excitement as the steam filled our carriage. Photos can be seen on our Facebook page.

Parent/Carer Opinion Survey

The survey is designed to assist schools in gaining an understanding of families' perceptions of school climate, student behavior, and student engagement. A link has been emailed out to all families. We would really appreciate you taking the time to complete this. Thank you 😊
