Tasks include doing a 30 min stint selling raffle tickets and drinks, helping serve the BBQ and afternoon tea, assisting with our Hand mural wall, etc. If you're able to give 30 minutes of your time it would be greatly appreciated. Blitzmaster

This term we have implemented the Blitzmaster program to help build students' mathematical fluency skills. To progress to the next level students must score 90% or higher on three consecutive days. We are really pleased with how our students are progressing through the levels. Feel free to come and have a look at how your child is going.
